### **EPOKSIOHENNE 1074**

#### APPLICATION INSTRUCTIONS

Epoksiohenne 1074 is used to thin Aki and Novopox products. The amount of thinner needed varies from 0–50%. See the thinning recommendations in the product data sheet of the product to be thinned.

### Environmental protection and waste disposal

Empty cans should be recycled or disposed of in accordance with local regulations. Liquid waste should be destroyed according to the local regulations for hazardous waste. Avoid spillage into drains, water systems and soil.

#### **Health and Safety**

**Danger.** Highly flammable liquid and vapor. Causes serious eye irritation. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Wear eye or face protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.
